Practice

Jerome's practice has been varied over the years covering matters at all levels. Jerome enjoys an eventful commercial practice and is licensed to practice under the Public Access Scheme to conduct litigation. Jerome's practice focuses on aviation claims, commercial disputes with a particular emphasis on construction and property claims, rights of way claims, neighbour disputes and includes some vintage/high value car claims particularly where elements of fraud or bad faith are involved. Jerome also undertakes regulatory work relating to several professions, licensing but also planning regulations which dovetails with his property disputes practice.
