## SUPPLEMENTARY

Gianluca currently has numerous business interests including:

- Co-Founding and managing a venture providing new, ground-breaking approaches for the management and conversion of waste to energy, including its subsidiary set up in the DRC – being part of local JV of which he is the co-head - for the purposes of a public private partnership.
- Founding and managing an entity providing solutions depending on technology as a way of evolution and adaptation in the fields of safety, security and vocational training in Africa and the Middle East.
- Co-founding an entity which has created a VR platform for education and training with the objective of transcending the possibilities of reality with enhanced training available to all.

Outside of work Gianluca enjoys football (AS Roma), swimming, history and collects fine arts and fine wines (he also produces his own wines).
