PRACTICE

A Barrister with a significant interest in technology and developing markets. Analissa's areas of competence include litigation, company management, contract review, legal/business research and advising clients on a wide range of challenges. Analissa's experience in Malaysia involved managing the full litigation lifecycle, from initial investigation and evidence collection to trial preparation and final resolution. Patient and confident in the courtroom, Analissa leverages argumentative techniques to boost case success.

AREAS OF EXPERTISE

Analissa is instructed in a variety of different areas of law including:

- Commercial Law
- Aviation Law
- Insolvency
- Enforcement

SIGNIFICANT CASES

- Counsel representing Ikea Limited in a Consumer Protection action regarding the marketing and supply of goods.
- Successfully defended Ryanair DAC in the County Court for a civil application involving costs.
- Represented EUI Group and AXA Insurance in several insurance and civil applications in the County Court.
- Junior Counsel in the Federal Court case of *Dato' Ting Ching Lee v Ting Siu Hua* [2025] 2 MLJ 295 in relation to enforceability of gambling debts in Malaysia.
- Junior Counsel in the Federal Court case of *N Chanthiran A/L Nagappan v Kao Che Jen* [2023] 7 CLJ 677. A company law case involving the power to sue a liquidator without the court's permission in Malaysia.
